

WINDSURFING TRAINING 2007

For 2007 we will be offering the following windsurfing courses:-

Junior/ Youth up to 18yrs old only

Friday 01/06/07 Taster session Redoubt lake From 10-00hrs 17-00hrs

We will have instructors on hand throughout the day to give a basic introduction to the sport, involving some time on the water if the conditions allow. Equipment will be supplied by HSSC but please bring your own wet shoes/boots and a wetsuit if you have one. The club do have a few suits available for hire on the day. The atmosphere will be as informal as possible with the emphasis on having fun! It would be a good idea to bring refreshments/packed lunch with you. The cost to club members will be £10.00 for the day. If there is a large take up we may have to stagger the times. Application forms are available on the club notice board, or on the HSSC website.

Thursday evenings from June 7th 18-00hrs 20-30hrs

We will be running beginner and intermediate courses at the Redoubt lake for six consecutive Thursday evenings from June 07/06/07 to July 12/07/06. The cost for club members for these sessions will be £50.00, or £10.00 per session. We are expecting a high level of uptake for these courses and may have to limit numbers, so if your interested sign up now!! Application forms are available on the club notice board, or on the HSSC website.

Windsurfing courses all ages

Simon Clarke will be running windsurfing courses on selected weekends throughout the summer on a pre book basis, either at the Redoubt lake or at HSSC. Alternatively for 2007 we will be offering a discounted rate for club members to train at the Dover watersports centre, who will be able to offer full RYA level beginner, intermediate and advanced courses.

Final dates and costs are still to be arranged, but if you are interested in either of these options, then please contact me and we will advise on dates/costs.

Team 15 Junior windsurfing.

Over the past few years HSSC has developed a highly successful under 15 windsurfing team. We are currently undefeated National champions!! All our juniors have progressed through a similar training programme to that on offer this year, and we actively encourage all our newcomers to come and race!!

Our sessions will provide all the necessary skills required. There are four race meetings held throughout the summer around the South East, all offering a fun/friendly atmosphere and of course nice prizes for the winners!! Keep July 22nd free and come and participate in your home event at HSSC and see for yourself!! Everyone welcomed at any ability level.
