## UKWA North Sea Cup - Folkestone & Hythe 2010

Folkestone Town Council and the UK Windsurfing Association are to stage the 2nd round of their national course racing series and the 2<sup>nd</sup> of the North Sea Cup events at Folkestone on May 29,30,31 The event is the first ever to be held form Folkestone in association with the Hythe & Saltwood Sailing Club from where numerous events and national champion windsurfers have emerged from over the years.

Folkestone Town Council been extremely supportive in order to get this event off the ground and we expect to attract approximately 150 -200 competitors, from the UK and Northern Europe plus family support, spectators and visitors, for this bank holiday weekend.

### General

Over 100 of the UK's top racers are expected, including a sprinkling of our World Champions, together with the cream of windsurfers from northern France, Belgium and the Netherlands. The first two days of the event will also count as part of the North Sea Cup, which is also contested at Brouwersdam in Holland in April, Ostend in September and Wimereux in October. Sailors will be competing on the RS:X Olympic board, plus Raceboard and Formula classes. Juniors will be on Techno One design boards with 6.8 and 7.8sq. metre sails. Racing is scheduled to begin no earlier than 11.0am on Saturday 30<sup>th</sup> and each morning around 10.30 am, weather permitting, and should continue until late afternoon, providing a fascinating and colourful spectacle both on the beach and on the water. Classes RS:X Olympic board, Raceboard and Formula classes. Junior Techno One Design 6.8m and 7.8m.

### Venue

Folkestone offers one of the most perfect racing venues in the country, situated on the Southeast coast on the English Channel it offers challenging conditions on the water and the most spectacular viewing from the back drop of the lees behind. Set at the start of the beautiful Coastal Park which has been developed in the last few years, with its walks, cycle routes and Activity Park there is something here for the whole family. Easy access to the beach, direct from the race site car park couldn't be easier, and with the newly formed rock groins and coves providing safe launching areas for all ages it lends itself to be a fantastic venue and event.

### Parking/Camping

There is a large Car Parking area with direct access to the beach, the parking area is to be fenced off and security will be provided over night. Toilet and Shower blocks are to be provided for competitors and there will be a marquee and with a small galley on site for teas coffees and sandwiches etc.

Parking for the event will be charged at £5.00 per night per vehicle (pay on the gate)

To reserve a space please email [marccarney@btconnect.com](mailto:marccarney@btconnect.com)

### Directions

Exit M20 junction 13, follow A20 east towards Dover. Third roundabout, A260, Dover Road to seafront past harbour and follow AA Signs. Or on your Sat Nav. enter Lower Sandgate Road Folkestone
