

Members Survey 2011

Dear fellow member

At the AGM this year, members provided various ideas relating to the future operation and facilities they would like to see, and I stated that I would take this into account.

I have devised this initial survey, which will provide you the chance to say how you are feeling, and if necessary what may be improved or provided. The survey returns will be for my eyes only and the results disseminated to members in the form of an anonymised overview only. This will be published as soon as possible.

Please return this survey by March 30th 2011

Either addressed to the commodore at the club house

Or E Mail commodore@hssc.net

Your Commodore, Tony Wyatt

Your Name: _____

Contact Number _____

E Mail _____

1. How many years have you been a member?
