LATE BOXING DAY RACE
FRIDAY NEW YEARS DAY RACE

Days labelled as DRAW FROM HAT, these weeks all the names of the people intending to sail will be placed in a hat and 2 names drawn to cover the safety boat and the race officer position for the day. The names of those drawn one week will be removed from the draw the following sailable week. We will be sensible about the number people do, if they are drawn more than their fair share they will be removed from the draw.
